WHY STITCH, ETC.—GEO. M. SNOOK &amp; CO.

HY

STITCH, STITCH, STITCH,  
WORK, WORK, WORK,  
UNNECESSARILY?

Certainly no need to make up SHEETS, PILLOW CASES and BOLSTERS when we sell the made up articles at exactly the prices of materials.

These SHEETS, PILLOWS and BOLSTERS come in over a dozen grades of excellence, in many generous sizes and various styles of finish.

Some of them simply have the lockstitched hems, others come hemstitched, and not a few combine drawn borders with the hemstitching.

Yet every one of these are made up so perfectly, marked so reasonable—so cheap (that's the word)—that even a careless inspection will at once lead to purchases.

Thousands of yards of PLAIN INDIA LINENS, in lengths containing 14 and 16 yards, have been sold by us in the past two months. We've thousands more to sell at same prices, which are about one-half usual charges.

John S. Trimble's Portrait.  
In Nicholl's window there is a hand-  
some portrait of the late John S. Trim-  
ble, made by Artist John Myers. It is  
a speaking likeness of a face familiar to  
every citizen of Wheeling. As it was  
reproduced from an old photograph the  
work cannot be too highly commended.

Change in Officials.

It is announced that F. M. Strong has  
resigned his position as secretary of the  
Wheeling Lamp and Stamping Com-  
pany, and will accept a position with  
the Laughlin Nail Company, of which  
he was formerly an official. He will  
also retire from the secretaryship of the  
Wheeling glass, crockery and lamp ex-  
change.

The New Lange Building.

The new Lange building adjoining  
the fine structure at the corner of Main  
and Fourteenth street is being pushed  
toward completion rapidly. The brick  
work will be completed this week, and  
it is thought the structure will be  
ready for occupancy by October 1st.  
The McCoy Shoe Company will occupy  
the entire lower side, while Bremer &  
Mabie will hold forth on the entire six  
floors on the upper side.

Wheeling Steel and Iron Works.

A special meeting of the board of  
directors of the Wheeling steel and iron  
works was held last night, at which the  
board resolved to go on and complete  
their Top mill furnace without delay.  
They will also start up the Martin's  
Ferry furnace as soon as the necessary  
supply of coke can be had. It will take  
from sixty to ninety days to complete  
the Top mill furnace. The Martin's  
Ferry one is all ready to start up.

Mozart Coming Events.

There are a number of picnics sche-  
duled in the near future at Mozart Park,  
among them the following: Wednes-  
day of this week, A. A. Franzheim car-  
men; August 11, Shield of Honor city  
lodges; August 15, the Young Butchers'  
Sons; August 18, St. John's Catholic  
school scholars, of Benwood; August  
23, Seabright division, Brotherhood of  
Locomotive Engineers; August 29,  
Krieger Verein and other German  
military orders; August 31, Brotherhood  
of Trainmen; September 3, Mozart Sing-  
ing Society.

Mr. Robinson's Funeral.

The funeral of the late W. H. Robin-  
son took place yesterday morning from  
his late residence in Highland City, and  
the number of friends of the deceased  
who attended was very large. After  
simple but affecting services the body  
was brought to this city, being met at  
the Terminal depot by Black Prince  
lodge, Knights of Pythias, and members  
of Carlin's battery, of both of which the  
dead man was a member. A special  
motor was taken to Greenwood ceme-  
tery, where the interment took place  
under the auspices of the Knights of  
Pythias.

Fish For The Fountain.

The invitation for fishermen to send  
in fish for the Paxton fountain seems  
to have been premature. Enough gold  
fish were borrowed from the Wheeling  
park to stock it. The notices in the  
papers had their effect, however. One  
young man yesterday brought in a  
bakers dozen of very pretty channel cat-  
fish, about eight inches long, and an-  
other called on City Clerk Thoner with  
a turtle. These will probably be put  
in the "upstairs" basin of the fountain  
and the gold fish be left to monopolize  
the larger basin below.

THE MARSHALL PRIMARIES.

Complete Returns with the Exception of  
one Precinct.

The complete official returns of the  
Marshall county Republican primaries  
held last Saturday are as follows:

Clerk of the circuit court—L. L. Stid-  
gor, 858; J. T. King, 802; W. N. Bonar,  
414; W. H. Loper, 217.

House of delegates—T. C. Pipes, 1,201;  
L. B. Purdy, 924; S. R. Hannon, 804;  
Joseph S. Clair, 629; E. P. Bowman,  
322; J. P. Stewart, 310; George B. Games,  
256.

County commissioner—G. F. Gray,  
980; W. H. Hubbs, 776; F. M. Gray, 451;

W. M. Wirt, 2,108.

The total vote cast was 2,291. All the  
Dover delegates were elected. Fair-  
view precinct is yet to hear from, which  
will not make any material change,  
there only being 39 votes if all were  
cast.

Whether on pleasure bent, or business,

Figs, as it acts most pleasantly and ef-  
fectually on the kidneys, liver and  
bowels, preventing fevers, headaches

druggists. Manufactured by the Cali-  
fornia Fig Syrup Co. only.

It Saves the Children.

"My little boy was very bad off for  
two months with diarrhea. We used  
various medicines, also called in two  
doctors, but nothing done him any good  
until we used Chamberlain's Colic,  
Cholera and Diarrhoea Remedy, which  
gave immediate relief and soon cured  
him. I consider it the best medicine  
made and can conscientiously recom-  
mend it to all who need a diarrhea or  
colic medicine."—J. E. Hare, Trenton,

VICTORY'S FORERUNNER.

The Bathstastic Meeting of the  
Sixth Ward Republicans.

CAPTAIN DOVENER'S ADDRESS

Was the Feature of the Evening, and  
Resulted in Several Conversions to  
the Faith of Republicanism—Messrs.  
Brady and Hall Also Made Short  
Addresses—Organization of a Drum  
Corps.

Last evening in their hall on South  
Chapline street, the Sixth Ward Re-  
publican club held a large and very en-  
thusiastic meeting, which was ad-  
dressed by Captain R. B. Dovener and  
Mr. J. C. Brady. Over two hundred, as  
many as the hall would hold, were  
present, and the spirit of Republican-  
ism was very much in evidence.

The finance and executive committees  
of the club, which were to make their  
reports at this meeting, delayed report-  
ing until the meeting of the club next  
Friday evening at 7:30 o'clock. The  
committee on rules and regulations re-  
ported progress. The drum corps, it is  
thought, will be organized the latter  
part of the week.

After Mr. Clemens had sung a solo  
that was enthusiastically received, the  
president of the club, Mr. J. H. Durt,  
introduced the principal speaker of the  
evening, Captain R. B. Dovener, who  
spoke for an hour on the tariff, Demo-  
cratic legislation, what the Democrats  
have done they should not have done,  
and what they have not done that they  
should have done, and other equally as  
interesting topics relative to things  
political. The captain was in the  
happiest of moods, and the audience  
listened to his magnetic eloquence  
eagerly and with great attention.

Mr. Clemens next sang a solo entitled  
"We'll put Grover in the Soup," which  
was a sort of finisher for the feast of  
logic and facts dealt out in "liberal  
chunks" by the speaker of the evening.  
Mr. J. C. Brady, the legislative candi-  
date, was the next speaker. He made a  
favorable impression and promised to  
"call again."

Several more Democrats who at the  
opening of the meeting had held back  
in the rear unaccustomed to their sur-  
roundings, were very much at home ere  
the end had come, and before leaving  
had enrolled themselves as members of  
the Sixth Ward club, throwing aside  
the shackles of hide bound Democracy.  
There are still a few choice seats in the  
front row for repentant Democrats.

The last speaker of the evening was  
Mr. James K. Hall, of the county com-  
mittee, who urged continued individual  
and combined effort on the part of the  
club.

TO-MORROW'S CONVENTION.

Prospects of an Unprecedented Attend-  
ance at New Martinsville.

The prospect now is that the attend-  
ance at the First district congressional  
convention at New Martinsville to-mor-  
row will beat the record for such  
gatherings, particularly as to the  
Wheeling contingent. The low rate  
offered, half fare—\$1.15 for the round  
trip from Wheeling—ought to assure  
the presence of every delegate and a  
great many outsiders. While the pro-  
ceedings will not be lengthy, they will  
be interesting and inspiring to Republi-  
cans, and nobody should miss the con-  
vention. A special train will bring the  
Wheeling delegation home after the  
convention adjourns. Delegates and  
others will leave for New Martinsville  
on the early Ohio River train to-morrow  
morning.

JAPANESE LIVER PELLETS are small,  
but great in their effects; no griping;  
50 doses 25 cents. Chas. R. Goetze and  
W. W. Irwin.

Delightful Mountain Homes.

On August 9 and 10 a number of lots  
will be offered for sale at Loch Lynn  
Height, Mountain Lake Park, a beauti-  
ful new summer resort in the Alle-  
gheny mountains. This property is  
owned by the Mountain Homes Com-  
pany, composed mainly of Wheeling  
and Parkersburg men, and the coming  
sale offers an opportunity never sur-  
passed to secure a summer home in the  
mountains. The terms offered are pecu-  
liarly advantageous, and include an  
arrangement by which railroad fare to  
and from the resort may be repaid to  
purchasers.

Belmont County Prohibition Convention.

The Prohibitionists of Belmont coun-  
ty, Ohio, will hold their county conven-  
tion at the Opera House at Bridgeport,  
Ohio, Wednesday, August 1, in con-  
nection with the Sixteenth district con-  
gressional convention, the first meeting of  
which is called for at 9 a. m., central  
standard time. A full county ticket  
will be put in nomination.

Rev. C. B. Henthorn, of Bridgeport,  
will sound the convention. Smith &  
Odell, of the Busy Bee Lecture Bureau,  
of Vincennes, Ind., will give an enter-  
tainment in the evening at 8 o'clock  
sharp, which will be free. All interest-  
ed in the work are invited to attend.

Lunch Milk Jumbles are designed espe-  
cially for a fine summer food. Sold  
by all grocers. Ask for them.
